RESPONSE

Dear Sir:

In response to the Office action of 06/19/2002, please amend the above-identified application as follows:

In the Claims:

Please amend claims 1, 15, 23, and 29 as follows:

1. (Amended) A method for communicating link connection type characteristics in a network, comprising:

determining connection type characteristics for a link within the network, wherein the connection type characteristics comprise partitioning of available bandwidth of the link between switched virtual connections and soft permanent virtual connections;

advertising the connection type characteristics to at least one node in the network; and

utilizing, by the at least one node, the connection type characteristics for performing a network function.

15. (Amended) A method establishing a connection in a communications network, comprising:
